

RETIGO Vision Smoker - spare parts

Item code	Name	Image
OA07-0100	ELECTRONICS FOR SMOKER	 A black rectangular electronic control unit with the 'retigo' logo at the top. It features three square buttons: a power button, a Wi-Fi symbol, and a play/pause button. Below the buttons, the word 'VISION' is printed. A white power cable with a standard two-prong plug is attached to the top, and a black cable with a cigarette lighter-style plug is attached to the bottom.
OA07-0101	POWER CABLE WITH HANDLE FOR SMOKER	 A thick red power cable coiled into a loop. One end has a blue and black handle with a cigarette lighter-style plug. The other end has several colored wires (red, blue, green, yellow) with small metal terminals.
OA07-0102	HEATING ELEMENT FOR SMOKER (300 W)	 A U-shaped metal heating element. It has two electrical terminals at the bottom, each with a small metal plug.
OA07-0103	HEATING ELEMENT COVER FOR SMOKER	
OA07-0104	BODY WITH CAP FOR SMOKER	
OA07-0105	SET OF GASKETS FOR SMOKER	 A set of gaskets for the smoker. It includes a long, thin rectangular metal gasket, a small circular metal gasket, and a larger circular metal gasket. Above the circular gaskets, there is a row of ten small red circles.
